Dear Sir:

As shown in the Monthly Statement of Deposit Account issued by the United States Patent and Trademark Office on November 30, 2006, our Deposit Account was charged the total amount of \$300.00 (\$200.00 for the examination fee and \$100.00 for the search fee). The applicants submit that this charge was made in error. The above-referenced application is a national stage application of International Application No. PCT/US2004/32413. The International Preliminary Report on Patentability issued by the Commissioner for Patents on December 29, 2005, in PCT application no. PCT/US2004/32413 indicates that all claims conform to novelty, inventive step, and industrial applicability requirements. Accordingly, no examination fee (fee code 1633) and no search fee (fee code 1641) are required, and the applicants request that the Patent Office refund the \$300.00 to Deposit Account No. 50-2455.

Please contact the undersigned at the below-listed telephone number with any questions or comments.

Respectfully submitted,

Dated: **June 20, 2007**

/Mark C. Zimmerman/
